ALMA MATER

With loyal hearts and true, Central, dear Central,
Ever allegiance to the white and blue;
To praise and fame we'll bear thy name
Through all the years to come,
Our Central High.

The Board of Education: Mr. William Hitchcock, President; Mr. Henry N. Heath, Clerk; Mr. Elwood Shaffer, Mr. Richard Adair, Mr. Harper Bickett.

DEDICATION -

To the citizens of Xenia---represented here by the members of the Board of Education---to the men and women of Xenia from all walks of life who through the past quarter-century, have helped to make Xenia Central High School the great educational institution it is today, we of the staff of the 1955 Cen-Sen wish to dedicate this our annual. You have made wise choices in the selecting of the administrators and faculty for this institution---we believe they are the finest to be found. Youth appreciates your efforts and guidance. We only hope that as a result of the education and direction you have given us, we too may become in the ensuing years intelligent, active, working members of the community, Xenia.

It is with pride that we present the 1955 Cen-Sen for your approval. It is written for, about, and by the students of Xenia Central and it is to the public that we present it. We have recorded here the events of the past year as we have watched them, lived them, and brought about their happenings. Because in future years our memories will be dulled, we have recorded these events pictorially and in writing.

We created the book and brought about its arrangement and to us it seems more then just a documentary record of a school year. It is progress. . .it is the growth of its creators. . .and it is a wonderful memory bound between these covers.

These men and women are the teachers of tomorrow's presidents. We learn the art of communicating, orderly thinking, the scientific approach for prolonging life, the development of our physical bodies, and the appreciation of the cultural beauty through their guidance. They prepare us to face the problems of today's high-geared society.

Martha Lighthiser

To these teachers we owe a lot of gratitude. They are indeed one of the highlights of Xenia Central--their teaching abilities, their personality traits, and their overall pep and vigor. Without them our school would not be the interesting place it is.

The Student Council is made up of students who represent their homeroom, also presidents of the classes and clubs. The purpose of the Student Council is to promote school spirit, develop student responsibility, and help solve problems of the student body.

The activities and purposes of all the clubs represented were explained at an assembly sponsored by the Student Council. They also organized a system of devotional assemblies, each class in charge of a particular program at least once during the year.

Xenia High School

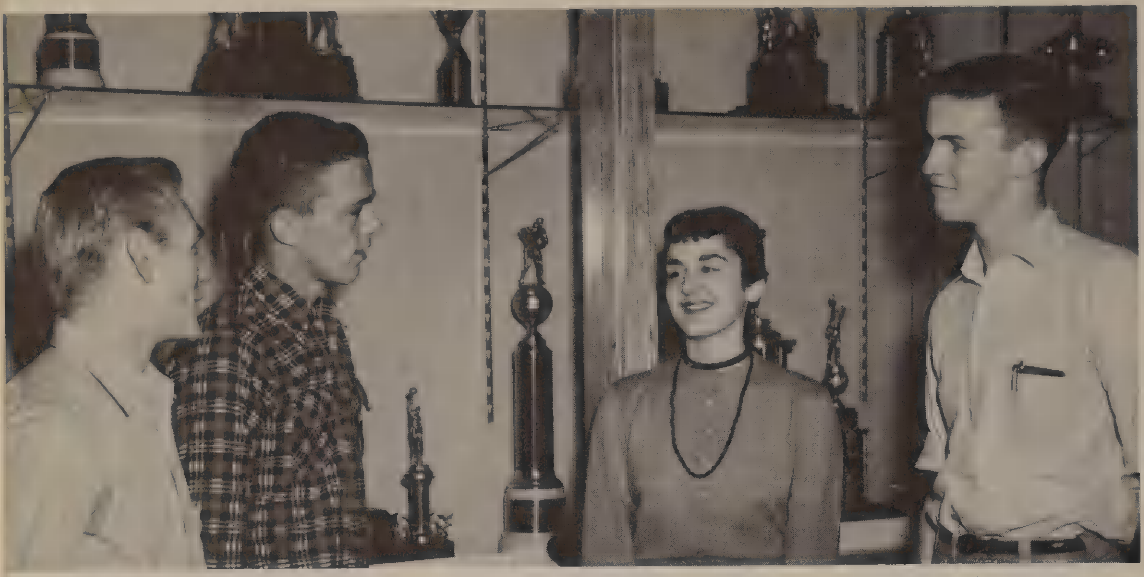
- - - we the seniors of 1955 are now ready



Every year the class elects the officers to serve them in conducting meetings and making plans for the year's activities. In the senior year the officers have the responsibilities of the Senior Class Play, Senior Day, and Commencement. The Junior officers had the Junior Class Play and the selection of the class rings to handle, along with the Junior-Senior banquet and prom. Although the sophomore year had no large events, every bit of leadership was required as it was our first year in which to work as a class. These are the capable and willing officers that represented us during these years. Our Senior officers were John Moore, President; Phil Anderson, Treasurer; Soula Dontchos, Secretary; and Dave Hinshaw, Vice-President. As Juniors we elected Dick Jordan, Vice-President; Gerald Huth, Treasurer; Betty Glass, Secretary; and John Moore, President. In our sophomore year the officers were Dick Jordan, Vice-President; Betty Glass, Treasurer; Phil Anderson, Secretary; and John Moore, President.

This year's Senior advisers, Mrs. Balmer and Mr. Neff, are certainly above and beyond all recognition. As advisers, they are the best. As friends, there were never any better. They have constantly strived throughout this year to make our class the most successful ever. To this annual they have dedicated infinite hours of work. Without them our class would not have been the success we hope it has been. To them we say thanks.

In order to take the Senior Scholarship test, a student must maintain a 3.0 average in all courses throughout his four years of high school. In Greene County one hundred and forty-seven seniors took the test at Central High School, and another group was tested at Fairborn. Those receiving ratings in the county were: Jane Finley, third place, with a score of 204; Ann Flora, fourth place, with a score of 203; Gerald Huth, seventh place, with a score of 199. Receiving honorable mention were: Richard Jordan; Charles Fisher; Gail Nichol; Richard Middleton; JoAnn Rose; Jeanne Ginaven; David Hinshaw; and Lanae Lewis, Jane Finley, Ann Flora, Gerald Huth, and Richard Jordan received honorable mention in the state.

Twenty seniors were named to the National Honor Society. To receive the honor the seniors had to place in the upper twenty-five per cent of their class and had to take the state senior scholarship tests in January. Selection is made by the faculty members on the basis of the pupil's contribution to the school during their four years in high school. Scholarship, character, leadership, and service are considered.

First row: Nancy Flaugher, Shirley Sims, Elladell Ricks, Gail Nichol, Sandra Craigie, Vera Bickett, Jane Finlay, Ann Flora, JoAnn Rose, Jeanne Ginaven, Soula Dontchos, Joyce Palmer. Second row: Richard Middleton, Fred Smith, Joyce Harner, Janice Jack, Richard Jordan, John Moore, Betty Glass, Betty Patterson, Marsha Strome, Lanae Lewis. Third row: Mike Murray, Robert Chapman, Judy Whitney, Judy Pavey, Joyce Henderson, Gerry Huth, Deanne Sparr. Fourth row: Charles Fisher, David Hinshaw, Don Bobbitt, Richard Charles.

On the morning of September 5, 1943, one hundred fifty anxious little boys and girls entered the first grade at their respective grade schools. These were trying times but full of enlightening experiences such as scraped knees, running noses, and especially the drudgery of memorizing those multiplication tables but we came through with flying colors.

Finally, the big day came--Our first day at Xenia Central. What a thrill to have our own lockers, to change classes, and to be able to rub elbows with those big, dignified seniors. Our first real social event was Junior High Night. What a big affair! Imagine, having a date, seeing our boys playing basketball, and then going to a dance! (Doing the two-step)

Time marches on. We are freshmen now and our responsibilities are beginning to make themselves known. We chose our schedule and clubs, attended high school assemblies and dances and made new friends.

In our sophomore year we had the distinction of choosing our class officers. They were John Moore, president; Dick Jordan, vice-president; Phil Anderson, secretary; Betty Glass, treasurer. Our advisers were Miss Huston and Mr. Boxwell. We sponsored our first dance "Cat Hat Capers" which was a big success. We also sponsored a class picnic at Shawnee Park.

In 1953 our busiest year faced us. John Moore was re-elected president, Dick Jordan, vice-president, but Betty Glass gave her checkbook to Gerry Huth. She took over the pad and pencil as secretary. Our advisers were Miss Davis and Mr. Seilhamer. We sponsored the second dance of the year, "Pigskin Prance," Our treasury filled, as receipts from the refreshment sales poured in. We took real pains in presenting our class play, "Growing Pains." Our biggest headache was the prom and banquet. We displayed our originality by having "A Night in Venice" in the fieldhouse. Another new idea of our class was the all night party at the "Y" which featured the nationally known male quartet "The Crewcuts."

Seniors at last! What a year! Guess who we elected president. None other than John "Harry" Moore. The other officers were Dave Hinshaw, vice-president; Soula Dontchos, secretary; and Phil "Flake" Anderson, treasurer. Our advisers were Mrs. Balmer and Mr. Neff. We started the year with a wonderful spirit. For the first time a Central football team received a state rating. "Belles On Their Toes," our senior class play, highlighted six weeks of hard work by the whole class. The really big project of the year is our annual, the "Cen-Sen," the biggest and best ever. Slowly and surely the day is coming when we shall leave this place of fond memories.

Sophomore Class Officers

These are the officers that were elected to represent the Sophomore Class. Since this is the first year for their class to elect officers and to have class meetings, their main task deals with organizing the class as a whole. This also requires much effort on the part of their adviser, Mr. Boxwell. Their one main activity is to sponsor a dance after a football game. They are Barry Buell, Vice-President, John McClain, Treasurer, Mr. Boxwell, Adviser, Sherman Stanley, President, and Brenda Brown, Secretary.

- - - Junior Class Advisers and Officers - - -

The Advisers of the Junior Class are Miss Davis and Mr. Seilhammer. They are to be commended for their many efforts put forward to make the junior class year a successful one for all. Their greatest job is to advise in the setting up of the Junior-Senior Prom (and in all financial matters.)

These are the officers elected to represent the Junior Class. Since this is their second year as an organized class, they have many more activities than they had the year before. Their greatest and most "looked-forward-to" activity is the Junior-Senior Prom, of which they are the sponsor. The theme they chose for the Prom of 1955 is "Carrousel". Their other activities include sponsoring a dance, caring for the refreshments after football and basketball games, and their class picnic. The Junior Class play is also presented late in the spring.

The officers are Joyce Wakely, Secretary, Ralph Durnbaugh, President, Bob Reynolds, Vice-President, and John Curry, Treasurer. Although their responsibilities are many they are all very capable of handling them.

Since the Junior Class is in charge of the refreshment stands at the football and basketball games, they organize at the first of the school year. This job takes much work and co-operation, but it is a big source of income. During the football season the Junior Class sponsors a dance.

At the end of the year the Juniors are all busy getting ready for the big event, the Junior-Senior Banquet followed by the Junior-Senior Prom. This event puts a large dent in the class treasury, but everyone agrees that it is well worth it.

The Sophomore year is the first year in which election of officers is held. After the class is well organized their first function is to sponsor a dance after a football game. This not only helps fill the class treasury but gives the students a sense of responsibility which will benefit them throughout their lives. Although the class has no exceptionally large activity to promote, they shall always remember this year as one of their most important.

Sophomores Absent: Ruth Ary, Deanne Beekman, Barry Buell, Arley Gastiger, William Guyer, Omalee Hicks, Guy Loos, Victor McKever, Handley Riddell, Darrell Roberts, Allan Storer and Frank Touhey.

Editorials and features written by students are published if they are of consequence to the school, (or entertaining). The Buccaneer has a circulation of about four hundred and twenty-five and is enjoyed by the (entire) student body.

These boys and the business manager, Richard Charles, see to it that the Buccaneer is sold. Stationed at every doorway and in the center hall they sell four hundred and twenty-five copies in fifteen minutes. That's really selling!

This year's Senior Choir, a group composed of sixty sophomores, juniors, and seniors, is one of the finest choirs that Central has produced. Conducted by Mr. Lorin R. McNeal, the choir annually presents a spring and winter concert and performs at Commencement and Baccalaureate ceremonies.

The choir forms the basis of the operetta presented alternately with the Variety Show, a production in which the whole school participates. In the spring of the year many members take part in the District and State Solo and Ensemble Contests.

Every day harmonious tones can be heard coming from the vocal music room, for the choir must rehearse for many events. Through this practice Central has become well known for its superior quality of music.

- - - Concert Orchestra - - -

The strains of "Pomp and Circumstance" has been played and another class has graduated from Xenia Central. Playing at the Commencement ceremonies is just one occasion that the orchestra is called upon to perform. Fifty-six musicians make up Concert Orchestra, which has always been very highly regarded.

From the blast of a bass to the sound of a pleasing piccolo in a Sousa March, from the click of the castanets to the sizzle of the cymbal in Latin rhythm, these sounds are heard echoing from the instrumental music room as the Concert Band practices. Seventy-three musicians compose Concert Band which plays at all spring and winter concerts. They always provide an excellent program for all.

Central's Marching Band, consisting of seventy-five members, performs at all home football games and many of the away games. Every morning during football season the band can be heard rehearsing for the coming Friday night's game. This year the band gave eight performances. A pre-game ceremony followed by a half-time show is the program for every game. The band and their director, Mr. Robert K. Downs, are to be congratulated for the many fine shows.

Activities

- - Homecoming Pre-game and

The traditional Homecoming ceremonies were held Friday, October 15. Two weeks before the game, the Junior and Senior Classes nominated five girls as candidates, who were announced at a pep assembly by the Booster Club President, Marsha Strome.

That night, at half-time, the candidates passed in review in convertibles driven by members of the Kustom Auto Kings, who escorted them onto the field. They were Misses Soula Dontchos, Gloria Chaney, Betty Jean Chambliss, Betty Glass, and Shirley Sims.
Who was to be the lucky one?

The big moment arrived! John Moore, Senior Class President, crowned Miss Soula Dontchos as Homecoming Queen of 1955.

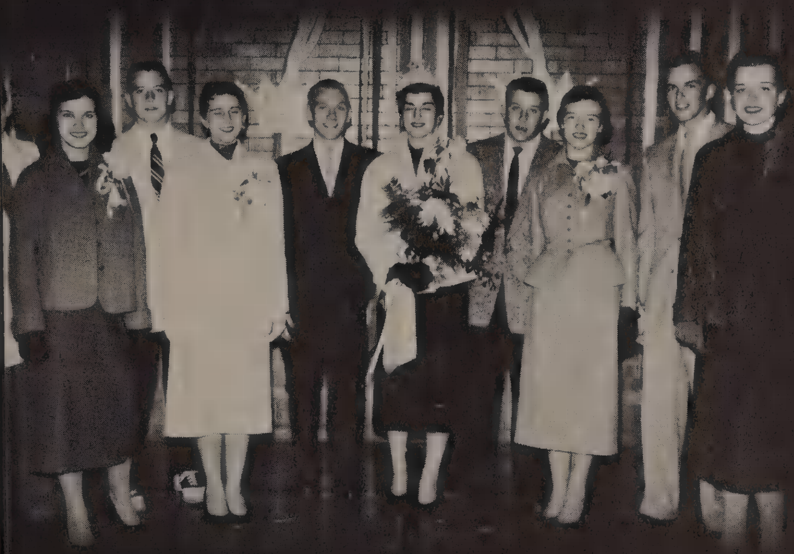
Before the playing of the Alma Mater, Miss Dontchos was presented a bouquet of yellow chrysanthemums.

Xenia Central now had its homecoming queen for 1955 and everyone was happy.

After game Ceremonies

After the crowning ceremonies, a dance was held in the Queen's honor in the gym, which was decorated with blue and white streamers, colorful balloons, and miniature crowns.

The Grand March led by the Queen and her escort highlighted the dance. Following this, refreshments were served.



The Queen and her attendants were escorted by five senior members of the football team. They were Marc McCallister, Jim Bean, John Moore, Burt Kidd, and Phil Anderson.

Homecoming is over, but the memories will never be forgotten.

On May 21, 1954, the Junior-Senior Prom and Banquet was held.

At six o'clock over three hundred Juniors and Seniors gathered at Geyer's Restaurant for the banquet. Fried chicken and the trimmings was on the menu. Everyone present agreed that this was the finest banquet ever.

- - - A Night

In Venice - - -

At nine o'clock the activities centered at the Field House for the prom. This year set a precedent, as it was the first time the prom was ever held anywhere other than the Girls' Gym.

"A Night in Venice," the theme of the prom, furnished the background for all the festivities. From the supports green and white streamers were suspended, and lattice work surrounded the dance floor, creating the atmosphere of a Venetian garden. Tables were arranged around the dance floor to add to the atmosphere of the garden. One hundred and fifty couples danced to the fine music of Earl Holderman's Orchestra. All were entranced by the Venetian Fiesta scene.

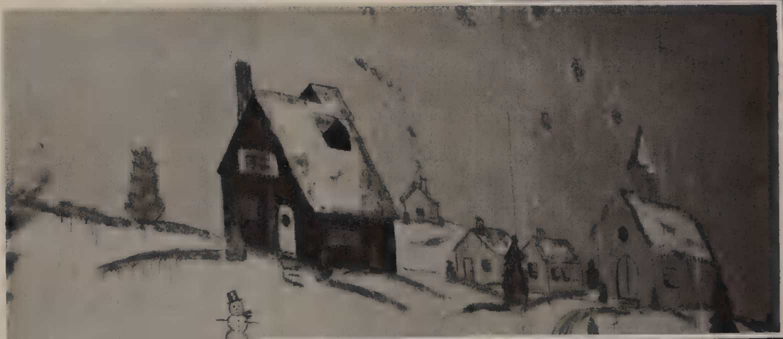
- - - Club Rainbow of 1954 - - -

After the 1954 Prom, "A Night In Venice", everyone attended "The Club Rainbow". Sponsored by the Xenia citizens, this night club arrangement was held in the YMCA. Streamers and balloons decorated the interior of the "Y". The night club atmosphere was complete with a cigarette girl and all. Broiled T-bone steak, along with tossed vegetable salad and "french fries," was on the menu.

The high-light of the evening was the appearance of the nationally known "Crew Cuts". They sang several songs, one of which was their top-hit record, "Crazy "bout You Baby". This was one of the greatest entertainments to come to Xenia in years.

Johnny Reger

--- The Alumni Dance of 1954 ---



On the night of December 29, the Alumni Dance was held in the Armory. The dance was sponsored by Senior Tri-Hi-Y and Hi-Y.

From the ceiling were hung snowflakes of various shapes and sizes. The center of attraction on the east wall was a big snowman with streamers on each side. A beautiful snow scene was painted on the south wall. The west wall was covered with blue streamers.

On each side of Johnny Reger's band there was a big evergreen tree painted with blue lights. The windows on the north wall were all painted with snow scenes. A tree was placed between each window. Tables with white cloths, on which were placed evergreens with silver edged pine cones used as centerpieces, were arranged artistically around the room.

Approximately seventy-five couples enjoyed the dance.

- - Varieties of 1954 - -

On the nights of March 26 and 27, the music department went "O'er the Rainbow" to that land beyond the "Blue Horizon". The show teeming with harmony and dancing, featured special acts in glorious color. A night-club type orchestra furnished the background for all the numbers. Through hard work and co-operation the Varieties of '54 was a tremendous success.

Among the highlights were the Pony Chorus, singing and dancing groups and solos, comedy skits, acrobatic skills. During intermission chalk drawings were made while the choir sang.

Our Junior Class Play, "Growing Pains", was presented on April 29, 1954 in the Jean B. Elwell Auditorium. It is a three-act comedy about two sixteen-year-olds, George and Terry McIntyre, and the problems facing them in their adolescence.

The familiar trouble with parents, cars, high-heels, and parties is climaxed with the introduction of Prudence Darling, a real siren, who plays havoc with Terry's plans for their first party.

After completely winning George's heart, Prudence tells him "that he is too young". Both Terry and George wish they weren't "grown so soon", but all ends happily when Terry and her boyfriend, Brian, make up and George meets a blond.

--- Senior Class Play ---

On November 19, 1954, our senior class presented "Belles on Their Toes", a three-act comedy about the Gilbreth family after the death of their father.

Mother has decided to go to Europe to give lectures and the kids-twelve of them-are on their own. To save money they make root beer in the basement and the girls not only make last year's bathing suits do, but also swear off dating for the whole summer.

When Cousin Leora drops by to check up she finds them parading around in their bathing suits and decides to write Grandmother at once! At this time the family is quarantened for chicken pox and Anne, the eldest daughter, falls in love with Dr. Bob.

When the younger kids go on the warpath to prevent the girls from having dates, they scare one of mother's students away and all seems lost. But in a whirlwind finale Mother arrives and everything turns out for the best.

The "Battling Buccaneers" rolled to their best season in thirty years.

Under the guidance of Ben Ankney and his two able assistants Jack Donaldson, backfield coach, and Pete Ankney, the line coach, the "Bucs" won eight and lost one.

The "Bucs" were second in the M.V.L. and they lost only to league champion Greenville.

In the final poll the "Buccaneers" were rated 20th in the state of Ohio, which is quite an honor for Ben's charges.

Other honors went to individuals in the team, Bob Chapman and Marc McCallister were on the M.V.L. team for the second year. They were elected co-captains of this year's squad.

Also on the M.V.L. teams were Jim Bean, Burt Kidd, Huffman Heisey, Jim West.

Jim Bean was on second team all-state. Jim West and Marc McCallister won honorable mention in the state.

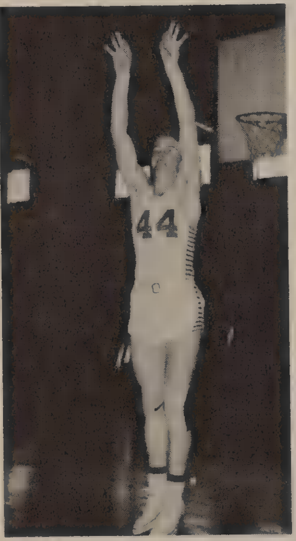
- - - Varsity Basketball Team - - -



Mr. William Kaylor has done it again! Starting with only three returning seniors and lacking both height and experience, he has built the Bucs into a strong and feared team in the Miami Valley League.

What the Bucs lacked in finesse was made up by sheer desire and fighting spirit. As this is being written the Bucs are about to finish their season and start tournament play.

Since the varsity is young, much is expected from our Bucs in future years as the reserve squad, under Mr. Ray Edward's coaching, had an especially good season.

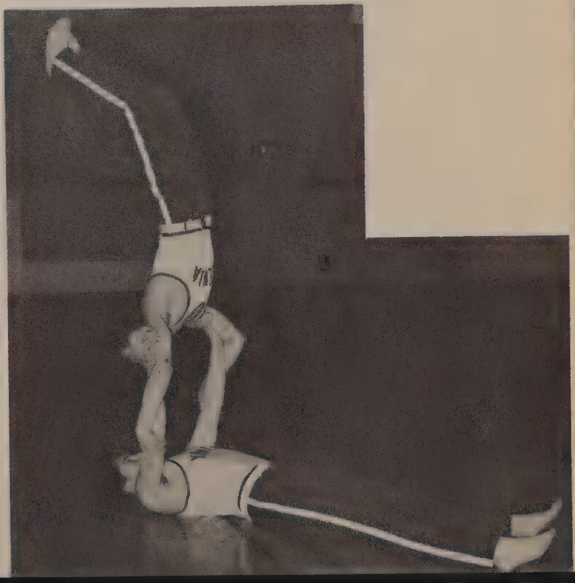
- - - *Varsity Tumbling Team* - - -



Bill Nichols and Charles Swadner

This year's tumbling team provides the fans with very thrilling shows on straight tumbling and the trampoline at all home Miami Valley League Games and on Physical Education Night.

Through Mr. McMillin's coaching and long, hard hours of practice this year's team accomplished outstanding feats. Only three seniors graduate, so in the coming years much is expected from the squad.

To earn a Tumbling letter, regularity at practice, physical ability and coordination, team attitude, and participation in public demonstrations is required.

- - - Varsity Golf Team - - -

Ronald Gould, Tom Neeld, Richard Smith, Dow Reichley, Larry Welsh.

When the Xenia's linksman take to the golf course this year they will be under a new head coach, Pete Ankney.

Pete will find a well experienced group. He will have as first man, senior Dick Smith, who has had two years of experience; Dow Reichly, a junior, both with a year of experience, and two promising players in Larry Welsh, sophomre, and Tom Neeld, freshman.

This promises to be a good season for the "Bucs" and you can be sure that they will be hard to beat in both the M.V.L. and district tournament.

Central has been proud of their Golf teams in the past seasons and we feel sure that Pete Ankney and his charges will make us proud of them again this year.

Coach Pat Patterson was encouraged with the number of boys who tried out for the squad this year.

The backbone of this year's squad is seniors, who have had three years of experience. They are backed up by a talented group of underclassmen.

We wish the "Bucs" luck in their conquest for the M.V.L. title.

This team, composed mostly of Juniors, shared the Miami Valley League title with Fairmont and Troy. They went to the semi-finals of district play in Dayton, before losing to Chaminade 6 to 0.

Under the direction of Mr. Donaldson baseball has become one of the major sports of Xenia Central.

There were some fifty boys reported for practice before the squad was cut to twenty-five. Last year's Seniors will be missed, but the nucleus of the 1955 team will be veterans of two seasons and much is expected from them.

- - - Varsity Track Team

Xenia Central's track team under the guidance of Mr. Bateson and Mr. Wilson, had little success as far as victories are concerned but their success was measured by their hard work and their "never give up" spirit at all meets. The first annual Xenia Central Invitational was held in 1954. It was termed a success and plans are being laid for another Invitational this year.

The nucleus of last year's team is returning for the 1955 season. Additional points should be gained by the addition of last year's Freshman squad. All in all this year's squad should be outstanding in every way.

The interscholastic team is composed of a group of girls from the freshmen, sophomore, junior, and senior classes who take physical education, show interest, advanced skills, and good character in organized team sports.

Under the able guidance of Mrs. Pavlovic, they scheduled games with schools in the surrounding area. This helps to promote sportsmanship and interest in girls athletics.

---Varsity Coaching Staff---

Mr. Carl Benner, Principal, Mr. William Ankney, Assistant Football Coach; Mr. Ben Ankney, Head Football Coach; Mr. John Donaldson, Baseball Coach; Mr. William Kaylor, Athletic Director; Mr. Ray Edwards, Freshman Coach; Mr. Clarence McMillin, Tumbling Coach; Mr. William Wilson, Track Coach; and Mr. H. G. Patterson, Tennis Coach.

The coaching staff are very generous in their contributions to the athletic interests of Xenia Central High School. These men deserve much of the credit for victory. It is through their hard work that great athletic teams are developed. We should all be thankful for their guidance.

----Varsity Managers----

First Row: Keith Welsh, Henry Harrenburg, and Bill Wynn. Second Row: Huffman Heisey, Barry Buell, Paul Snyder, and Taso Dontchos.

The managers are a very important part of any athletic team. Without them a team would be nothing. It is through their faithfulness and great efforts that the team functions properly.

- - - *Game Announcers* - - -

Yea team!! Wherever the athletic teams went, the cheerleaders were there too, giving encouragement to the team by leading the fans in cheers. Vigor and vitality is what these girls possess. They display their prowess at sports events. As cheerleaders they are the best.

- - Freshmen Choir - -

This is the first big year as far as choir is concerned. They perform several times a year publicly and usually participate in the Junior High Vocal Music Contests. Through these appearances, they not only gain as far as musical ability is concerned, but greatly in their own self-confidence. They certainly look forward to the time when they will be in Senior Choir.

Junior High Choir is mostly a preparatory group. They start with fundamentals and are shaped into a well balanced vocal choir. Although with these years there is no glory but mostly work, it is enjoyed by all who participate. They will be rewarded for their hard work in the coming years, when they will take part in the advanced musical activities.
